This picture-perfect home features a freshly painted interior and newer carpeting throughout, installed last year. The first floor offers an open, easy-flow layout with hardwood flooring, crown molding, picture-frame trim accents, and abundant recessed lighting. The impressive two-story great room features a balcony overlook, an abundance of natural light, and a gas fireplace. The formal dining room is currently being used as a home office. The spacious kitchen includes 42-inch maple cabinetry, tile flooring, a center island, Corian countertops, and a dinette area. Sliding glass doors lead to a freshly painted 14' by 12' wooden deck with a privacy wall. A convenient mudroom/laundry room provides direct access to the two-car garage. Upstairs, you will find three generously sized bedrooms and two full bathrooms.
